

Painter

Your experience and exceptional craftsmanship will be essential for your success as you apply coats of paint, varnish, stain, enamel or lacquer to decorate and protect interior or exterior surfaces, trimming and fixtures of commercial or industrial buildings and other structures by performing the following duties:

- Read work order or receive instructions from supervisor regarding painting
- Smooth surfaces and remove old paint from surfaces
- Fill nail holes, cracks and joints with caulk, putty, plaster or other filler
- Arrives on time and works well with others.
- Spread drop cloths over floors and room furnishings and cover surfaces such as baseboards, door frames and windows with masking tape and paper to protect surfaces during painting
- Paint surfaces with brushes, spray gun or paint rollers
- Simulate wood grain, marble, brick or tile effects
- Apply paint with cloth, brush, sponge or fingers to create special effects
- Erect scaffolding or set-up ladders to perform tasks above ground level
- Wash surfaces prior to painting with mildew remover

Qualifications:

- High School diploma or General Education Degree (GED); or 1-3 years related experience and/or training; or equivalent combination of education and experience
- Must be proficient with brushing, rolling and spraying
